1. The State Planning Office: (Terzhivatal) has had a considerable increase in staff in recent months. The director of this office is still Zoltan Vas and his deputy is Osztrovszki (fnu).
2. In addition to the building it has occupied up to now in Budapest at Nador-ut. 9, it has recently expanded into No. 11 and No. 13. The inhabitants of these two houses were recently evacuated.
3. The present number of employees is 280-300 engineers and office staff. A Soviet consulting body of about 12-15 specialists virtually controls the Planning Office.\*
4. It is well known that the former achievement target for the Five-Year Plan was increased enormously by so-called "voluntary offers", which were compelled by the Party Secretaries in all factories. The 1954 target must be attained by some works by the end of 1953, and by others by the end of 1952.
